MAKE NEW FRIENDS IN JUNEAU

Juneau has been called "Alaska's peak experience," certainly due, in part, to its unparalleled glacier viewing from such places as Endicott Arm and the Juneau Icefields. Kayak up one of the area's many protected waterways, go flightseeing, tour historic downtown or try your hand at panning for gold. The majestic Mendenhall Glacier lies nearly 12 miles outside Juneau, a worthwhile trek.

TIME CHANGE: Did you remember to set your clocks one (1) hour back before retiring last night (Monday evening)?
